Mount Crested Butte, CO

Company Biography

Crested Butte Mountain Resort (CBMR) fits perfectly into the town of Crested Butte - We are family owned and operated and focus on staying true to our small town roots. There aren't too many other great ski and hospitality resorts where you can run into the owners pitching in to check tickets, bus tables and fold laundry during the busy times. What we're looking for in an employee: We are looking for guest-focused employees who share our passions, who want to work as a team, both in the resort and in the community. Living and working in the Rockies, particularly in the Gunnison Valley, is a lifestyle. We are passionate about our mountain lifestyle, both recreation and work. If you're looking for a job where your co-workers are happy to come to work and are even happier if they have 4 feet of snow to shovel, this may be the place for you! As a team, we work together to inspire a passion for adventure in our guests. We rely on each and every employee to make genuine, fulfilling connections with our guests by sharing our mountain lifestyle. The Gunnison Valley is one of the most beautiful, unspoiled rural areas in Colorado. However, this also means it's a bit out of the way. We think the trade-off is worth it, but make sure you are prepared to get here! Located near the center of the state, the drive from Denver is 4 hours.
